Pirate Families, we are searching for two parents and two students (one middle school and one high school) to join our School Advisory Committee. Our SAC will meet one night per quarter.

A School Advisory Committee (SAC) is established for each DoDEA overseas school. The SAC is comprised of parents, teachers, and other stakeholders who have a vested interest in quality education at the school. The committee's purpose is to:

- Advise the principal and installation commander on policies and programs within their purview.
- Foster communications among administrators, military leaders, parents, and students.
- Provide a coordinated process to address and resolve issues at the lowest level. Facilitate problem solving and recommend action to appropriate officials.

Additional information on what areas the SAC does and does not potentially impact is provided below:
